KCLC graduates are primed for learning and success in grade school through a curriculum that fosters enhanced socio-emotional skills and independence. KCLC provides the perfect blend of fun and engaging activities as well as strong academic foundations in Reading and Math. Since these two subject areas are the cornerstones of learning, KCLC aims to have a remarkable outcome on each of its student on the basic competency in these studies. Children have their own unique blend of intelligences, aptitudes, and varying degree of attitudes. They achieve scholastic progress at different rates of speed. Due to this fact, nurturing atmosphere and developmentally appropriate materials are provided to their expanding knowledge and skills at KCLC.

These necessities allow them to have enough confidence to persist in doing tasks independently, despite of any difficulty they may encounter. KCLC teaches its students to believe in themselves and to be the best that they can be. It is equally important that children develop all aspects of their physical, socio-emotional, and cognitive skills before they leap to the big schools of their choice. Let your children receive the same solid foundation and learning experience from KCLC which would definitely hone your child's abilities and be fully equipped to the challenges and demands of life.
